

CAMPUS 2 CLOUD

C2C: AN ULTIMATE ERP SOFTWARE FOR SCHOOLS, COLLEGES AND UNIVERSITIES

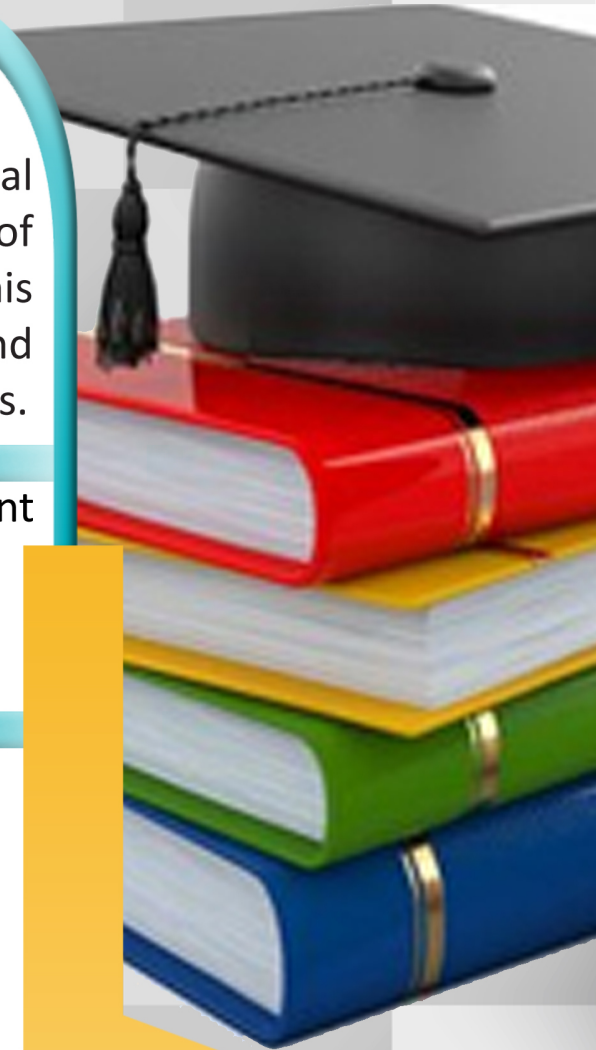

C2C ERP IS AN ONLINE SCHOOL MANAGEMENT SYSTEM THAT ADAPTS TO THE SYSTEM AND PROCESS OF YOUR INSTITUTION.

ABOUT US

AMFCO is a global software and managed services provider that in challenging markets conditions has outpaced its rivals in the financial markets sector, creating an impressive base of more than 1,500 customers. At the heart of this success is the ability to react to client, market and regulatory changes through innovative solutions.

AMFCO designs, develops and markets Intelligent Networking Systems, embedded and industrial automation systems, Telecom/CTI, intelligent security solution and software solutions.

At AMFCO we go an extra mile to provide Excellence in our Products and Services to go beyond our clients' expectations. We don't just meet our clients' expectations at a certain level but also build a long-term relationship.

**FLEXIBLE SOLUTION FOR
YOUR BUSINESS NEEDS**

**BEST SOLUTION
TO YOUR
SCHOOLING SYSTEM**

AMFCO & C2C

AMFCO's objective of C2C application is to provide end to end solution to an educational institute. The application already has all the core modules which are required by an institute to develop its educational institute in to a technology based institute.
